Report on the Financial Statements

Opinion

We have audited the financial statements of **Persatuan Perkhidmatan Masyarakat Ceylonese, Selangor Dan Wilayah Persekutuan Kuala Lumpur, (PERMA)** which comprises the balance sheet as at 30th JUNE 2020, and the income and expenditure account and statement of receipts and payments for the year then ended, and a summary of significant accounting policies and the explanatory notes, as set out on pages 5 to 11.

In our opinion, the financial statements have been properly drawn in accordance with Generally Accepted Accounting Practice and the provisions of the Societies Act, 1966 in Malaysia so as to give true and fair view of the financial position of the Society as at 30th JUNE 2020 and of its financial performance and receipts and payments for the year ended.

Responsibility of the Executive Committee for the Financial Statements

The Committee is responsible for the preparation of financial statements that give true and fair view in accordance with the applicable Generally Accepted Accounting Practice and the provisions of the Societies Act, 1966 in Malaysia. The Committee are also responsible for such internal controls as the Committee determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Society as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also :-

- Identify and assess the risks of material misstatement of the financial statements of the Society, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.

Auditors' Responsibilities for the Audit of the Financial Statements (con't)

- Evaluate the overall presentation, structure and content of the financial statements of the Society, including the disclosure, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

In accordance with the requirements of the Societies Act, 1966 in Malaysia, we also report that in our opinion the accounting and other records and the registers required by the Act to be kept by the Society have been properly kept in accordance with the provisions of the Act.

Other Matters

This report is made solely to the members of the Society as a body, in accordance with Section 26 of the Societies Act, 1966 in Malaysia and for no other purpose. I do not assume responsibility to any other person for the content of this report.
